2010 Spring Planted Acreage

Insured:_____ **Policy #**_____

Crop	FSA#	*I	*NI	Farm Name	Share	Acres	Plant Date	Notes

*I – Irrigated *NI – Non-irrigated

Please be sure to report the total amount of acres planted. Example: If you plant 100 acres and only have a 50% share, you still need to report all 100 acres.

IMPORTANT – If you are submitting a 578 form for acreage reporting, it must be dated by 07/15/10. If not, please use this form and it must also be submitted by 07/15/10. Once your form is complete, return it to our office: MidAtlantic Farm Credit, 379 Deep Shore Rd., Denton, MD 21629. Fax: 410.479.3345. Ph:410.479.2323 Ph: 800.573.3028

All acreage must be reported. This includes but is not limited to prevented acres, late planted acres, cover crop, acres to be left for wildlife, etc.
Make sure it's accurate. Acreage discrepancies of 10% more or less will be penalized if you have a loss. **Bring your 578 form from FSA with you when you report acreage.**

Your acreage report is the most important document you file. All information you report on this form must be accurate! Corrections cannot be made at claim time.
