ANNUAL MEETING INFORMATION STATEMENT

PURPOSE

The purpose of the meeting is to receive the report of the nominating committee concerning nominations for candidates for director positions and candidates for nominating committee positions, and to receive nominations for director or nominating committee positions from the floor (if any). Other topics that do not require a vote, which will be covered during the meeting, are a review of the Association's 2017 financial report, management's report to stockholders, and the announcement of the \$10,000 scholarship winners presented by the Farm Credit Foundation for Agricultural Advancement.

VOTING ELIGIBILITY

Eligible voters are those holding class C voting stock in MidAtlantic Farm Credit, ACA. Each voting stockholder is entitled to only one vote regardless of the number of single or joint loans the stockholder may have. Voting rights are held by the one person designated as having power of attorney on the most recently executed membership application on file with the Association. If you are not certain who is named, you may contact the Association for this information. Those holding non-voting stock or participation certificates are not eligible to vote.

Specific information regarding the nominees for director positions is included within this information statement. Geographical information (region and city) is provided for those seeking to be elected to the nominating committee.

Voting eligibility was taken from the list of stockholders as of February 16, 2018. As of that date, the number of stockholders entitled to vote was 10,430.

In the event of a tie, the winner will be determined by a runoff election held by mail ballot.

ANNUAL MEETING INFORMATION STATEMENT *(continued)*

FLOOR NOMINATIONS

Nominations for all positions will be accepted from the floor at each sectional meeting. To place a nominee's name on the ballot, the person making the nomination must be a voting stockholder. The nominee must be prepared to provide the following information, in writing, regarding the candidate:

- Name and address
- Age
- Business experience during the last five (5) years, including principal occupation and/or employment
- A list of any business entities on whose board of directors the nominee serves and the principal business in which that entity is engaged

Any person nominated from the floor must be an eligible voting stockholder in the election region of the position he/she is nominated for, and must provide certain additional information, in writing. Required information includes, but is not limited to, details regarding any outstanding loans and non-loan transactions between the Association and the nominee, his/her immediate family, or any organization with which he/she is affiliated, and details concerning the nominee's involvement in certain legal proceedings. Failure of a floor nominee to provide this information will render them ineligible to be a candidate. In addition, the information provided by the floor nominee will be used by the Association for verifying eligibility for candidacy.

VOTING PROCESS

Voting for director and nominating committee positions will occur by mail ballots after the conclusion of all annual meetings. Candidates present at the annual meetings will be recognized, but no voting will be conducted during the meetings. After the last annual meeting (April 5), a mail-in ballot will be mailed to each eligible voting stockholder's address with detailed instructions for correctly completing the ballot. The mail-in ballot package will include voter verification information to ensure that no one votes twice. Once a voter has cast his/her ballot, it is considered final and cannot be rescinded. An independent third party has been retained to tabulate and verify the election results and certify the election after the ballots have been received. After the election has been certified, the results will be distributed to all voting stockholders.

The following is the schedule that will be used for the election process:

- April 25 ballots mail to all eligible stockholders
- May 16 polls close at end of day
- May 17 independent accounting firm convenes to count ballots
- May 18 independent accounting firm certifies election results
- June 11 deadline for mailing CEO notice to members

ANNUAL REPORT

The Association's 2017 annual report is mailed to stockholders under separate cover. Stockholders should review the information contained in the report. You can request a copy by contacting MidAtlantic's headquarters at 888.339.3334 in Westminster, Maryland.

CANDIDATE DISCLOSURES
(All terms are 4-years for each Election Region)

Unless otherwise specified, the following disclosures include each candidate's business experience, including principal occupation and employment during the past 5 years.

Loans made by MidAtlantic Farm Credit to employees, directors, and director nominees (as well as loans to their immediate family members and any organizations with which the individuals are affiliated) were made in the ordinary course of business. Such loans were made on the same terms (including interest rate, amortization schedule, and collateral) as those prevailing at the time for comparable transactions with other persons. Such loans did not involve more than the normal risk of collectability. All nominees have family members who transacted business with the Association during the last fiscal year.
